

REMARKS

Consideration of the application and the amendments above is respectfully requested.

In the specification, the new paragraph to be inserted on page 1, line 5, was added after the "TITLE OF THE INVENTION" paragraph on page 1, lines 1-3 and before the "BACKGROUND OF INVENTION" paragraph on page 1, lines 5-11, to provide the priority of the present application.

Applicants have canceled Claims 16 – 19, which are directed to Swiss style use claims. No new matter is being added to the above-captioned application by the amendment of the claims.

Claims 1-15 are pending in the present application.

Applicants respectfully contend that the application is allowable, and a favorable response from the Examiner is earnestly solicited.

Respectfully submitted,

By
